INTERACTIVE COMPETITION DEMONSTRATION SOFTWARE	AVAILABLE FOR DOWNLOAD
1020020200	
	INTERACTIVE DEMO
	SOFTWARE NOW AVAILABLE!
	Allow presenters to give potential participants a "hands-on" experience • No active image required • No internet required • Useful at conferences and shows
The CyberPatriot Interactive Demonstration (Demo) Software version 1.0A has is now available	for download!
The CyberPatriot Demo is a partial simulation of a CyberPatriot image, with a built-in tutorial. The Den The small software package (50 MB) was designed as an informational and recruiting tool that can be virtual). Note that this software is NOT designed to be a training image for CyberPatriot teams.	to aims to introduce teachers, students, organizational leaders, and others to the CyberPatriot competition. used as a presentation or hands-on activity at an event, conference, meeting, or in the classroom (in-person or
A presenter requires the following equipment and software to run the CyberPatriot Demo.	
Windows 7 or better computer ZIP program CyberPatriot Demo program download	
Once the program is unzipped and executed, it is ready to gol In a typical use of the CyberPatriot Den presenter will either go through the demonstration (explaining how the competition works), or have the scored points as the presenter or attendees finds and fixes security vulnerabilities in the simulated im:	no, a presenter will begin the presentation by giving the attendees an overview of CyberPatriot. Then the attendees do the hands-on simulation of the CyberPatriot competition. The CyberPatriot Demo will show age. At the end of the simulated competition, attendees will receive a certificate of completion
We welcome everyone to do a controlled distribution of the demonstration software to experienced Cr mass-email the Demo link to students and other persons unfamiliar with the competition unless an exp to handle a large volume of email and phone calls from students and those unfamiliar with both the co	vberPatriot participants so they may inform others and recruit people to the competition. Please DO NOT perienced participant is willing to guide them through it. The program office does not have adequate resources mpetition and the Demo software.
To order the Demo download (free of charge), use the form below. The Demo download and setup inst	tructions are included in the Quick Start Guide, which can be accessed once the order form is submitted.
Demonstration Software Order For	n: https://forms.gle/4K7QiekNKpmr5np37
Users will find detailed instructions in the TUTORIAL that is part of the demonstration software. Using in this version.	the tutorial will answer many questions that users will have. There is also a Certificate of Completion available
If you have any comments or questions about the Demo software, please contact the CyberPatriot Op	perations Center at cpoc@uscyberpatriol.org.
